

# Addendum #1

RFP#: TP02172024

Date: 4/15/2024

---

The purpose of this addendum is to answer any questions submitted in reference to RFQ # TP02172024.

1. What forms need to be completed in regard to DBE since this is an FTA project? **DBE Compliance Statement, DBE Schedule of Utilization and DBE Good Faith Effort**
2. Can you elaborate on the 25-page limit; will Table of Contents, cover page, divider tabs and forms count in the 25-page limit? **No. Section 1.9 Content of Submittal excluding the divider tabs shall be included in the 25-page limit.**
3. Is there a current survey of the property? **No**
4. Will there be a need for bus parking on site? **No overnight parking; buses are at this facility for approximately 10 minutes at the end of every hour to load and unload passengers.**
5. Is there a need/want for bus canopies to enhance passenger protection? **BTD is open to this idea.**
6. Are you able to provide bus fleet sizes that frequent this site? **Approximately 4-6 buses per hour; 35 ft. Greyhound also stops here and the bus is a motorcoach.**
7. Do you anticipate improvements (such as improved lighting and signage) to Holick Ln to mitigate safety issues with the new bus exit? **Yes**
8. Is BTD open to working with TxDOT to reopen median on Texas Ave? **No, the solution is the rear exit onto Holick Ln.**
9. Do the ROW's on Holick Ln support future bus turning movements? **Unknown at this time.**

10. Is BTD able to provide an estimated construction cost or budget for this project? **Not at this time. This will be determined as the project develops.**
11. Our team may have several proposed staff members. Are project resumes excluded from the 25-page limit? **No; they are included in the 25-page limit.**
12. Does each subcontractor need to sign the Conflict-of-Interest Acknowledgement and Certification form along with the prime? **Yes**
13. Can subconsultant projects be included in Section 4 along with the prime projects? **Yes**
14. For the projects provided in Section 4 it is stated to provide the contact information for the engineer. Is this the project engineer for the project, and if so which engineer consultant (civil, structural, MEP)? **Your choice**
15. Do projects need to be completed in Section 4? **No**
16. If the prime firm is DBE does that count toward the 1.92% DBE goal? **Yes**
